

MEGAN DOSS PARKS & RECREATION BOARD

Megan Doss is a driven and passionate woman dedicated to making the most of her life and the lives of those around her. After graduating from Western Kentucky University with a Master of Science degree in 1998, Megan began her career as the Corporate Sports Director of the Greater Grand Rapids YMCA. After two years of event planning and procurement of sponsorships for monthly events, Megan decided to launch her own business, Special Events! LLC, and has been working along the lakeshore ever since.

As a devoted family woman, Megan loves to explore and travel with her husband and two sons. She believes that no growth occurs in a comfort zone, so to challenge her family, Megan encouraged her husband and youngest son to take an unforgettable journey across Florida to Chubb Cay in the Bahamas on only their boat. She says, "It left such an imprint with our son that he actually wrote about this experience in an assignment at school."

Megan is also actively involved in many organizations and committees such as the Grand Haven Chamber of Commerce, Sanibel Captiva Conservation Fund, and Spring Lake Rotary, particularly the Parks & Recreation Committee, as she believes that the green, recreational, and water entry points are the reasons why people move to the Village of Spring Lake. Her favorite place in the Village of Spring Lake is the beautiful Spring Lake, which is the reason she chose to move there. Megan takes advantage of the natural resources of the area in all four seasons.
