Spring Lake Village

Fire Hydrant Snow Removal

If you have a fire hydrant near your home, please make sure it is accessible. A few minutes of time clearing the hydrant can mean the difference between saving your home and a complete loss.

NO PARKING on any village street 2 am—6 am, December 1st thru April 1st per Ordinance 74-82 (regardless of the amount of snowfall.)

Check out **Visit Spring Lake MI** This new Facebook page is dedicated to promoting cool events in our Village!

Snow Removal

from Private Property

The Village needs your assistance to provide a more drivable and walkable community in the winter months, and more specifically, following snow storms. Please notify your plow driver that plowing snow across or onto public rights-of-way is prohibited by state law and local ordinance. Violation of the law may result in a ticket being issued. That ticket would be issued to the property owner in violation as the Village is not aware of who has been hired to remove snow from various properties. For copies of the law as it pertains to snow removal please contact Village Hall at 616-842-1393 or email Mary Paparella at mary@springlakevillage.org.

SHORT-TERM RENTALS

Short-term vacation rentals are permitted in the Village, *but only in certain zoning districts*. Historically, the Village has not tracked which rentals are long-term versus short-term. As websites such as VRBO and AirBnB become more popular and homes are converted to short-term rentals, the number of complaints have also increased. These complaints have required the Village to become more proactive with enforcement. If you have a short term rental or you are considering investing in one, we encourage you to contact our office to ensure it is a permitted use. Lukas Hill, Zoning Administrator, would be happy to walk you through the process or take any complaints you may have about an existing short-term rental at 844-2110 or LHill@springlaketwp.org.
