A. Presentation – Andy Dull

Subject: After completing an RFP process, the DDA hired Concept A Creative Studio to complete a branding exercise for the community. After a rather arduous process that included numerous meetings with a focus group, the DDA narrowed down the logos to two distinctly different possibilities. Mr. Dull shared with Council the DDA’s recommended logo and tag line.

Andy Dull, Concept A Creative Studio, walked Council through the process his team had worked through to get to their final two logo concepts and tag line for the Village as well as sharing the DDA’s recommendation for the logo of Concept 1. Burns explained that once the logo was chosen, it would not launch right away in order to be thoughtful and timely when presented to the community.

Duer, Miller, TePastte and Van Strate agreed that, at first look, they did not understand the logo in concept 1. Dull explained that not understanding the logo at first glance was not always a bad thing. Dull said that, as a designer, he felt the best logos out there were the ones you look at 10 times and think “Holy cow! I didn’t even notice that before”, ones that provide that “ah-ha” moment make a great logo with hidden details, complexity and depth. Burns
explained that this Branding exercise was paid for, in it’s entirety, by the DDA and that the members on the focus group, for the most part, were members of the general public so, if Council chose to have Dull go back to the drawing board to come up with something else, it would have to be determined who would pay for any additional work.

Motion by Hanks, second from TePastte, to table a decision on a new logo for the Village until the December 9th Work Session for more discussion.

B. Tree Trimming & Removal Bids

Subject: With the assistance of Arborist Lee Mueller (Davey Resource Group), the village solicited proposals for tree trimming and removal services. Eleven proposals were mailed out and five were received prior to the deadline. DPW Director Wally Delamater went over the proposals with Mr. Mueller and is recommending the bid be awarded to the low bidder, Get-R-Cut.

Burns explained that the Tree Board, with the Arborist’s recommendation, agreed that Get-R-Cut met all the qualifications to be awarded the contract for tree trimming and removal for an amount not to exceed $21,500.

Motion by Van Strate, second from Duer, to approve a contract with Get-R-Cut for tree trimming and removal work for a cost not to exceed $21,550.

C. Mass Gathering Ordinance

Subject: A public hearing for this ordinance was held at the October 21, 2019 Council Meeting. Council adopted the ordinance, but staff was unable to publish the notice in time. Therefore, Council needs to consider again this month.

Motion by Duer, second from Hanks, to adopt Ordinance 357 - an Ordinance to add Chapter 257 to provide a permitting procedure for Mass Gatherings.

D. You Make the Difference Award – David Kaucheck

Subject: Dave Kaucheck has served on the Planning Commission since November 23, 2010. He has served as the Chairperson of the PC since December 15, 2015. Dave has recently announced his retirement and is not seeking reappointment.
President Powers shared Dave Kaucheck’s You Make the Difference Award with Council and those attending the meeting, however, Mr. Kaucheck was in Arizona and unable to attend.

Motion by Van Strate, second from TePastte, to approve the You Make the Difference Award to Dave Kaucheck for his service on the Planning Commission as a member and Chairperson.

7. Department Reports
   A. Village Manager – Burns shared that applications for liquor licenses would be coming to Council for consideration on the December Agenda. Burns also shared that with so much development going on, and as part of the Redevelopment Ready Community process, requiring training for Planning Commission members was being discussed, but in order to mandate that training, Council would have to consider it, and money would have to be budgeted. Council agreed that training was very important, especially at this time. Burns added that an application had been received to do some fill on the Martinus property and an application the Martinus’s had submitted to the DEQ for this project was incomplete and, after reviewing, the Village Engineer and the DPW Director feel the DEQ will probably reject it.
   B. Clerk/Treasurer/Finance Director
   C. Downtown Development Authority – Stanford-Butler updated Council on a grant received for the Art in the Park mural to be painted at Seven Steps Up by an art student at Spring Lake High School.
   D. OCSO
   E. Fire
   F. 911 (none included)
   G. DPW
   H. Water (none included)
   I. President Powers asked if, on occasion, photos could be taken of what the DPW does for the Village that residents were not aware of could be posted. Burns said they were working on creating short video clips to release to the residents, maybe twice a month, to educate the public on what they get for their tax dollars.
