FOR IMMEDIATE RELEASE

Village of Spring Lake to hold Public Engagement Meeting Regarding MDOT Grant

The Village will hold a community engagement meeting at Barber School on May 30, 2024, starting at 6PM to provide information to the public regarding an upcoming MDOT Grant application.

The Village is in the process of applying for the Shared Streets and Spaces Grant through the Michigan Department of Transportation. If successful in its application, the Village will use the funding to improve pedestrian safety and placemaking on Savidge Street through the downtown. The Village will share details about the grant process, planned improvements, and provide the opportunity for the public to ask questions.
