Dear Mr. Gallagher:

The U.S. Economic Development Administration's (EDA) Chicago Regional Office Proposal Review Committee (PRC) has conducted an initial review of your proposal for investment assistance to support the Grand Haven Spring Lake Sewer Authority Industrial Wastewater Capacity Upgrade Project. Based on its initial review, the PRC has determined that your proposal is responsive to the Federal Funding Opportunity (FFO).

If you wish to be considered for EDA funding, please submit a complete application for your proposed project no later than thirty (30) calendar days after the date of this letter. The requirements for the content and form of a complete application submission are found in the FY 2016 Economic Development Assistance Programs—Application Submission and Program Requirements for EDA’s Public Works and Economic Adjustment Assistance Programs FFO, and can be found on EDA’s website at http://www.eda.gov/funding-opportunities/.

The determination that the project is responsive is based on the preliminary information provided in the Proposal.

Please be aware that EDA receives many more meritorious applications than it can fund. This request to submit a complete application in no way guarantees that EDA will approve your application or select your project for an award. The basis of eligibility, including economic distress, the scope of work, budget, grant rate, and other factors, will be reviewed and confirmed in their entirety upon submission of an application, which review may or may not result in an award.

Please contact Mr. Lee Shirey, at (312) 789-9751 or lshirey@eda.gov who can assist you in the development of your application.

Thank you for your interest in EDA. For more information about our programs and other upcoming funding opportunities, please consult our website at www.eda.gov

Sincerely,

Jeanette P. Tamayo  
Regional Director
Good Afternoon All,

I just wanted to share the letter that we received from the EDA. We have cleared the first hurdle for funding. *(Please note that this in no way obligates the EDA to fund our project – We want to ensure that our team does not get over confident – I just have a bit of extra incentive because I want that steak dinner that Bill Cargo offered if this project gets funded)*.

Now comes the heavy lifting of completing the full application.

Know that we will be working diligently on the full application over the next 30 days.

Best Wishes,

Gordon Gallagher

Subject: Weeds and Overgrowth in Streets, Sidewalks, Public Bridges and Walkways

Message Body:
Please let me know if any of my Village tax dollars go to cleaning the streets, sidewalks, bridges and walkways. I live at Wind Drift and the street around the Reform church and bridge over Lloyds Bayou are overgrown with weeds. In my opinion this detracts from our lovely city. I have pictures I'm willing to share or post, or you can drive by and see for yourself what I'm talking about. Is there any appearance ordinances that address this issue?

Thanking you in advance for your prompt attention and reply.

President Hatton called the meeting to order at 7:00 p.m.

1. **SaveMICity (Anthony Minghine – Michigan Municipal League) – Manager Burns** introduced Tony Minghine from the Michigan Municipal League. Mr. Minghine presented to Council the impact of Michigan’s failing municipal funding system.

2. **Courtyard Concerts (Gary Hanks) – Burns** explained that Mr. Hanks was looking to close the parking lot for a Courtyard Concert on September 10, 2017 and then again in 2018. **Burns** said that this was the 5th year and that she highly recommended it. Mr. Hanks said that, if this was approved, he would need to have a copy of the approved minutes for the Michigan Liquor Control Commission. Mr. Hanks also shared that they have a beer sponsor from Grand Rapids, their tentative food vendor was the new owner of Top Butcher, Kelly Larson would have treats from Sweet Temptation’s and there would be a kettle corn vendor. Council agreed this was an item for the Consent Agenda.

3. **Cross Connection Control Plan (John Stuparits & Paul Patterson) – Stuparits** explained that at last months meeting they talked about the Cross-Connection Control Ordinance that had not been updated since 2002 and that the second part of this program was the program itself and was how they protect the water supply. **TePasttte** asked if this provided the framework for what was already being done. **Stuparits** said yes, this was what they were already doing but it had never been in writing. **Stuparits** explained that in 2015 the Village hired Hydro Corp to perform cross connection inspections and this was the plan they follow when performing these inspections. President **Hatton** said that she did not know what the Cross-Connection Program was and was there and easier way to describe the program or were there other names that other communities use for it. Mr. Patterson explained that communities us the same name and that their website had a FAQ section that was very informative with easy to understand terms and definitions. **Burns** suggested that the Cross-Connection Plan could go on the Consent Agenda but that the Ordinance would need to have a Public Hearing. **Council** agreed.
4. **Cross Connection Ordinance Amendment (John Stuparits & Paul Patterson)**  
   – There was nothing more to add to this.

5. **Equipment Sharing with Spring Lake Township** – Burns explained that this was something that had been discussed for well over six months with goals to not only save money but to use equipment resources in the best way possible. Burns said that the Township was also discussing this at their meeting. Stuparits said that they look forward to ways to collaborate more and become more efficient and with some of these pieces of equipment costing well over $100,000 this was a smart thing to do. Duer asked if there were some pieces of equipment that would not be shared. Stuparits said that he did not see any piece of equipment that either of the communities owned that they would not share. Stuparits also explained that the State had a rental fee schedule and that was the fee schedule that they would use for renting the equipment. Doss applauded Stuparits collaborative efforts as DPW Director. Council agreed this item could be added to the Consent Agenda.

6. **Fee Schedule (Parking Ordinance)** – TePastte said that his recommendation was to wave the parking fee for at least 2017. Council agreed with this recommendation and that it could be added to the Consent Agenda.

7. **Budget Amendments (Marv Hinga)** – Hinga explained the Budget Amendments with Council. Hatton asked if there was anything setup to repair pot holes. Stuparits said that he would check on that.

8. **Set Public Hearing for Budget Adoption** – Burns explained that on June 12th they would have the Work Session at 6:00 pm and then move to Barber School for the Council meeting with a Public Hearing and then a vote to adopt the 2017/2018 budget.

9. **Delinquent Water/Sewer Charges (Marv Hinga)** – Hinga explained that any Water/Sewer bills that were at least 90 days past due would be put on their tax bills. TePastte asked if it would cost money to do this. Hinga said that it was less work to click the box in BS&A to add them to the taxes then it would be to write them off.

10. **Designate an Alternate for Sewer Authority** – Burns explained that while we were in between DPW Directors, Marv was named alternate, and now that they had John, it seemed like a good time to appoint John as the alternate for the Sewer Authority. Council agreed and that this was an item for the Consent Agenda.
11. Communications -

- Beautification Proposal: Hatton said that they had received a Beautification proposal and a letter to Elizabeth Wheeler from Darcy Dye. Hatton said she had also been contacted by Elizabeth Wheeler because Elizabeth felt she had been thrown aside after working on certain plots of land for 23 years and, because of the fact that she had been invited to be one of 58 volunteers. Burns said that Dr. Sylvia Russet and Ms. Darcy Dye were here so she would let them speak on this issue. Ms. Dye said that she wanted to make it clear that her beautification proposal and the letter to Ms. Wheeler were 2 very separate issues. Ms. Dye explained that her proposal was for a project to partner with Holmes Elementary for a collaborative garden. Ms. Dye said that there was so much excitement for this project that they had gone from 1 classroom of students to 4 classrooms of students and multiple teachers. Doss asked if this was a yearly commitment. Dye said that was something they still had to work out but she was hoping this would be a long-term partnership. Doss said that this was something that could possibly be funded by the North Bank Communities Fund. Dye said that she was working with other organizations on getting grants too. Dye also commended the Village DPW for their grounds crew’s work this spring. Council agreed that this was a wonderful project and gave their consent.

- Burns reported to Council the generous donation of $10,254 from Mr. Gary Verplank to the Tree Nursery as part of the Victoria Verplank Tree Memorial.

12. Minutes - Minutes of the April 17, 2017 Work Session were included in the Council packet for review. The April 24, 2017 regular meeting would be ready by Monday night.

13. Public Comment – Elizabeth Wheeler spoke to Council about her care of the 4 pocket gardens on Lake Street for the last 23 years and the letter she received from Darcy Dye. Council felt this was something that would be best handled between Manager Burns, Mrs. Dye and Mrs. Wheeler.

14. Adjournment – the meeting adjourned at 8:40 p.m.

**Burns** explained that typically, a request like this would have been on the Work Session but the request was received after that meeting and if they waited until the June meeting it would be too late for their scheduling. **Burns** said that we don’t usually turn down a request for the park, especially when it was received this far in advance.

Mayor McCaleb gave an update on the pier restoration and the status of the fundraising for the new/restored Catwalk. 2. **St. Mary’s Church Request to Close Prospect** – Mr. Ken Johnson from St. Mary’s Church was present. Mr. Johnson explained that St. Mary’s Annual Festival would be July 8th and they would like to close Prospect Street from about 10:00 a.m. to 4 or 5:00 p.m. leaving the 2 homes on that street with an ingress/egress at the Exchange Street end. St. Mary’s would contact the homeowners regarding the street closure.

   Council had no objections to St. Mary’s request.

3. **Short-term Rental Resolution of Support** - Manager Burns explained that Ferrysburg City Council Member, Timothy O’Donnell, has requested support from the NW Ottawa Communities, by way of a Resolution, to share with the elected officials in Lansing with the hope of retaining local control of zoning issues.

   Council agreed they would like to support this requested resolution.

4. **North Bank Communities Fund Grant Agreement** - Manager Burns shared that the Village had received a Grant for $2,000 to install signage at the tree nursery to honor Vicki Verplank and her contributions to the installation and maintenance of the nursery.

5. **Mill Point Park Reservation** - Manager Burns explained that Odd Side Ales requested the use of Mill Point Park on August 19th to hold a Craft Beer and Music Festival. Burns also explained that Odd Side Ales had to obtain the proper licensing and liability insurance, which they indicated they were prepared to do.

   Council agreed they would approve this request.

6. **Historical Committee Vacancy** – Burns explained that there were vacancies on the Historical Committee and that Sheron Collins had applied for one of those vacancies.
Burns said that Council Member Miller knew her and had recommended her to fill one of the openings.

7. **Roof Bids – Burns** reported that Tim Vander Zande, from The Architectural Group, had emailed the bid tab late that afternoon and still needed a little time to go over the 3 lowest bidders to make sure he was comparing apples-to-apples. Burns shared that the lowest buds were from East Muskegon Roofing at $74,800, J. Stevens Roofing at $74,900 and Mikalan Roofing at $76,600, Burns asked Council if, to expedite the roof repair, they would be comfortable granting Hinga or herself the ability to sign the contract based on Vander Zande’s recommendation.

Duer said that he had been involved with East Muskegon Roofing on some big facilities and they had done a really good job. Burns said they had also come highly recommended by the Architectural Group. Hatton suggested that J. Stevens be considered since they could complete the project a month sooner. Hatton also suggested getting a referral from the Township on the company they had used for their new roof.

Council agreed they would like to go with the recommendation from Mr. Vander Zande and allow Burns and/or Hinga to execute the agreement.

8. **SLHF Liaison Position – Burns** explained that she was not sure how long that liaison position had been in place but that she and Hinga did not see any benefit from this position. Burns said there was never any communication back and forth and no meeting minutes were ever shared so they believed that this position had outlived its usefulness.

Council agreed that if there were no benefits from this position that it could be eliminated.

9. **Budget Amendments (Marv Hinga) –** Hinga explained the budget amendments that included moving money between line items in the DDA to cover paving on Buchanan St, appropriating money being offset by State Grants money, transfer money to pay for Whistle Stop playground equipment while waiting on additional donations and that the expenditures for Central Park had come in higher than expected with the improvements and dedication. Hinga also explained that there were 2 budget adjustments for furnishing and blinds in the Police Department and for the Jackson Street road end. Hinga said the net effect was that they were either offsetting increased expenditures by additional revenues that came in or by cutting expenditures is other line items.

Council agreed they were comfortable with these budget adjustments.

10. **Budget Resolutions – Hinga** explained that there was a resolution to adopt the Annual Budget and one to establish the Millage rate.
11. **Community Engagement Meetings** - Community Engagement meetings regarding disincorporation would be held on June 19th and June 20th. Council Member **Powers** shared a resolution, prepared by the Village Attorney, clarifying the roles of each participant of the Community Engagement. **Hatton** said that she had not met Stacy Trapani or Eric Luphur, and she would like to be able to meet them and wondered why she had not met them already. Manager **Burns** explained that none of the participants had met Trapani or Luphur. **Burns** also explained that Mr. Luphur was the moderator and would have a short power point presentation explaining the different forms of government and then the majority of the time would be spent answering questions from the audience. **Powers** explained that the resolution was Council’s formal statement explaining to the public why the individuals were chosen to be on the panel.

**Council** agreed the resolution could be added to the Consent Agenda.

12. **Communications** - These communications were included in the packet and there was no further discussion.

- Japanese Knotweed removal
- Library Calendar (June)

Council agreed that since they had not received their packets with the minutes until earlier that day, they would table approval until the July 17th meeting to give them a chance to read them over.

14. **Public Comment** – Elizabeth Wheeler mentioned the upcoming fundraiser for the Winsor McCay Park.

15. **Adjournment** – the meeting adjourned at 7:00 p.m.

Hinga explained that the only major change at this time was a 5% increase across the board for rentals at Tanglefoot Park and a 10% increase on the docks at Tanglefoot Park and Mill Point Park. Hinga said there were waiting lists for seasonal sites at Tanglefoot and the docks at both parks.

C. Public Hearing to Consider and Adopt the Fiscal Year 2017/2018 Millage Rate.

Subject: The Village Council held a Public Hearing on the FY 2017/2018 Millage Rate which was recommended to be 9.58 for the General Fund and .78 for Debt Retirement for a total of 10.36 mills.

President Hatton opened the Public Hearing at 7:20 p.m.

Lee Schuitema, 408 E Exchange, said that he wished that Olive Township, where he owned property, would adopt a millage rate like the Village was adopting. Schuitema said that his taxes would go down considerably.

Elizabeth Wheeler asked what the millage rate was last year. Hinga said that last year’s millage rate was 10.36 total, with the millage rate for operations was 9.54 and debt service was .82, so there was no net change.
